Rowan Mercer

Manchester, UK · rowan.mercer@example.test

Head of Operations at Northwind Health, leading four operations managers across eleven community clinics with a £14m cost base. Rebuilt rostering around a single demand model, cutting agency spend by 22%, and built the first operational reporting pack in SQL and Power BI.

EXPERIENCE

Healthcare **Northwind Health · Head of Operations · Apr 2021 - Present**

- **Weekly performance reviews ·** Lead four operations managers and a shared scheduling team of eighteen, running a weekly performance review against published measures.
- **Rostering improvement ·** Cut agency spend by 22% in the first year by rebuilding rostering around a single demand model.
- **Multi-site operational plan ·** Own the operational plan for eleven community clinics, reporting delivery, cost and quality to the executive team every month.
- **Supplier performance ·** Introduced a supplier scorecard covering the eight largest contracts, with quarterly reviews against agreed service levels.
- **Budget and variance ·** Partner with finance on the annual budget and on monthly variance across a £14m cost base.

Healthcare **Northwind Health · Operations Manager · Jan 2018 - Mar 2021**

- **SQL and Power BI reporting ·** Built the first operational reporting pack in SQL and Power BI, replacing a manual month-end spreadsheet, while running day-to-day operations for four clinics and owning the rota, patient flow and site budget.
